**Rules:**

Each team will play with a maximum of 5 field players and 1 goalie, or a minimum of 3 field players and 1 goalie. If a team starts short, they have the opportunity to add players before the first half ends. When the second half begins they will only be able to sub players on, not add players to the field. Each team must present 2 indoor Futsal balls that are in working condition. If a team does not present the balls or presents a ball that is not in working condition and the opposing team complains, this team will loose the match if no ball is presented by half time. Ball should be labeled low bound indoor soccer. If you are not sure about ball size or kind, please let us know. Which will be presented before beginning the game and at half time once more.

3.In order for a game to start both refs must be on the field, the timer will not be turned until both refs are on the field ready to go. 4.When substituting a player off of the field, the player coming off of the field must be completely off of the court before the other can enter. Not doing so can result in a blue card, in which case both players would have to come off of the field for 2 minutes. Leaving your team short a player. Note: all substitutions must be made at half time, not doing so can result in a card. 5.At the beginning of the second half each team has 30 seconds to make their way back onto the field. If the team takes longer than 30 seconds, i.e. 31 seconds they will be marked a goal against. An additional goal will be marked against every 30 seconds that passes by b6.Blue card, means that a player has committed a foul, this is punishable with a 2 minute time out. The player may re enter the field of play before the two minutes are up, if and when the opposing teams scores a goal. 7.Yellow card, means that the player has committed a foul, this is punishable with a 5 minute time out. The player will not be allowed to re enter the field of play until this time has been completed, even if a goal is scored by the opposing team. 8.Red card, this means that the player has committed a foul, this is punishable by being removed from the game and not allowed to participate. No other player would be able to come in for this person, leaving the team with a player down. The team coach must present himself at the sideline to agree how many games this player would have to sit out for. 9.Yellow Blue card, this is when a player commits ten fouls and receives two yellow cards. In this case the blue would turn into a yellow and the player would have to sit out for 5 minutes. This player would not be allowed to return to the field until after five minutes. 10.Cards are accumulative; 2 blue =yellow, 2 yellow=red, 3 blue=red, 3 yellow=red, 11.When 2 consecutive fouls are committed, the referee with the six Fouls will receive a blue card, and one player will have to exit the playing field for a two minute time out. Note: If the player that exits the field of play already has a blue card this will turn into a yellow card with a 5 minute time out, beware of this rule. Remember six fouls, not cards. Fouls cease at half time and restart once the punishment has been given. 12.When 2 players are blue carded the player that has been out the longest can reenter the field of play when a goal is scored or at the two minute mark. They will not be allowed back in at the same time. 13.Attached is a list of possible punishment for a red card, these will increase during the season depending on how many red card an individual gets: Insulting the referee, direct red, 2 game suspension Double yellow, 1 game suspension Dangerous play, 2 games suspension Participating in a game before your punishment is over, 5 games suspension Insulting an opponent, 1 game suspension Face off with an opponent, 2 games suspension Excessive force, 2 games suspension Elbowing an opponent, 2 games suspension Invasion of the field of play, 4 games suspension Clapping at the ref, 2 games suspension Sportsman like conduct, 2 games suspension Slide Tackling an opponent (indoor-non goalie players), 3 games suspension Stealing (86) 6 months suspension, must submit a letter of apology, and appear in a meeting with the board in order to reinstate participation

-Insulting staff members, (86) 6 months suspension or the rest of the season whatever is longer. This person must submit a letter of apology and appear in a meeting with the board to reinstate participation. 14.Only games played count towards your suspension. If you win a game by default this is not counted towards your suspension. 15.The process of appeal is as follows: During the process of appeal 5-9 coaches (depending on participating teams and availability) will determine if the player will continue to participate in the current season. A unanimous decision must be reached in order to reinstate said player. You may not re-appeal. The appeal process will only be available for players who have been punished for more than half the season (11 games or more). Players that have been punished for fighting, drinking or smoking during the season will forfeit the appeal process. 16.Two direct reds for aggressive behavior will result in the inelegibility of a player. 17.When the ball hits the roof inside the goalie box will be played as a corner kick.18.No two players are allowed to participate with the same number, if this is reported by the opposing team within the limited time frame, you will lose the game. As soon as this is reported the game will be stopped. If you continue to play the game will be official. 19.No tape numbers are allowed; if this is reported by the opposing team within the limited time frame, you will lose the game. 20.A player may participate with another player's uniform as long as the number on the uniform has not received a red card; regardless of the color of the card. If you do so and it is reported you will lose the match. 21.No adult player can play with 2 teams even if they are in separate divisions. Note: Women may play on a masters and regular women division team, but may not participate on women's division 1 and women's division 2. 22.When switching teams or divisions you may not have played in an earlier game on the day you switch. 23.Numbers on shirts and shorts do not have to match. As long as all shirts and shorts are the same. 24.When the ball goes out of bounds, the team must kick the ball from the side line to begin play, this is a kick in. There are no "hand" throw ins here. The ball must be completely outside of the field of play, not doing so will result in having to give up possession of the ball. You have only 6 seconds to kick the ball, not doing so will result in loss of ball possession. Note: The ball must be a still ball, if the player intentionally rolls it or if it is thrown at the keeper and he/she will take possession of the ball. So long as the player places the ball outside the line and in position to stand in front of a kick to prevent them from kicking to prevent him/her from taking possession of the ball, not doing so will result in losing possession of the ball. 25.If a player kicks the ball directly across the face of the goal, it is considered a goal. 26.A player may attempt to reach for the ball without touching his leg directly across (to the side of) to reach for the ball, but may not reach out directly in front. Doing so will result in a blue card. 27.A player is allowed to pass the ball back to the keeper. The keeper is allowed to kick the ball, but may not pick it up with his hands, unless it is passed back with a thigh chest or head. 28.When the keeper has a goal kick, the keeper must place the ball inside the keeper area before kicking. The ball may not pass half field in the air. In order to pass the half way mark the ball roll or bounce before half mark. Not doing so will result in losing possession of the ball with a direct kick for the middle of the field. Remember a player may block this shot but must be 3 steps away form the ball. 29.Corner kicks, these along with all other kicks are direct. During a corner kick the ball must be placed inside the marked area. Not doing so will result in loss of ball possession. Remember a player may block these but they must be 3 steps away form the ball. 30.When a player kicks the ball and the keeper catches the ball, the keeper is allowed to throw the ball, which must not pass the half way mark in the air. In order to pass half way mark the ball must roll or bounce on either half when throwing it. The keeper may also kick the ball into play, which must not pass the half way mark in the air. In order to pass the half way mark the ball must roll or bounce on either half when kicking it. Note: The only ways a keeper may kick the ball past the half way mark is when a player passes the ball back to the keeper, in this case the keeper can kick as far as they please. Also if the keeper catches the ball and bounces it outside of the keeper area and then kicks it, this would be a valid play. If you are confused on this rule, you may ask a staff member for help. Note: If goalie bounces ball inside of goalie area to kick it an opposing player may not can kick the ball away. Doing so will be a foul, the opposing player may only kick ball away from goalie if he/she sets the ball on the ground. 31.The keeper is the only player on the field of play that is allowed to slide tackle. He/she is allowed to tackle inside the keeper area. 32.The only time the timer is stopped is when a goalie is hurt on the field, or if the ref sees fit. If a field player is injured the timer does not necessarily stop. 33.Every game consists of two 20 minute halves, and a two minute half time. 34.If a team must report an opposing team due to uniforms, balls and such; this can be done before, during or immediately after the game. See staff for more details. Note: You will only have a window of 10 minutes after your game has finished, otherwise your report will be invalid. 35.In case you want to report an issue during your game you can either submit this report to the refs or submit it to the board of directors. Maria Gutierrez will be in charge of these during the season. These reports can be from ref complaints to failure to provide a ball. All reports must be submitted in written form, verbal complaints will not be valid. 36.Slide tackles and hand balls to avoid a goal will be marked as a goal, and the player will be yellow carded.37.If and when the ball hits the roof, the team that hit the roof will loose possession of the ball, the player will start again with a free kick from where the ball hit the roof originally. If the ball hits the roof directly on top of the goalie area, this will be marked as a corner kick. 38.When the goalie begins play with a goal kick the opposing team will not be allowed to touch the ball until it has exited the keepers area. When the goalie rolls the ball instead of setting it they will be warned once; on the second roll they will grant the opposing team a direct kick from outside of the goalie box, at the closes corner of the goalie box. 40.A team may play without a goalie; this would be 6 players on the field. It may well be wearing a team uniform and none of them are allowed to touch the ball with their hands. You must finish the game (the remainder of the game) with no goalie; 41.IDs must be presented at the beginning of the game begins, or the latest at half-time. If the team does not present IDs at half-time they will allow the referee to assign IDs at half-time. 42.All ID's must be picked up at Ed Sol Soccer League. We will not be chasing people down. If a player does not have his/her ID's, we will not be able to register him/her. 43.If you see someone on our team wear a jersey with 5 some suspensions listed on it, this is done because they were hurting themselves or punishing others. Note: If anyone who messes with youth division and this player is older than the division you played him in the team will be suspended for 5 games and the coach will be suspended for an additional 3 games. 44.If you allow a non-registered player to participate in a match, you will not be allowed to register this player after your punishment is up. 45.As soon as you report the opposing team, for whatever reason, the game must be stopped. If you continue to play, the game will be made official. 46.the game will be mad official at the 18 minute mark of the first half (FUTSAL).If there is an altercation after this time the league can declare it a loss of any team. If the game is stopped for any other reason the score will be left as is (OUTDOOR OFFICIAL TIME IS AT THE 38<sup>TH</sup> MIN OF THE FIRST HALF). 47.At no time during the game active bench players may not enter the field in an invading form THAT THEY REF DEEMS NON CONTROLLABLE. They may make substitutions without asking permission of the ref but may not interfere with referee calls. This also goes for team coaches and spectators. 48.All game injuries (youth games only) must be reported to the ref returning or immediately after the game, not doing so will void all insurance claims. 49.Be advised that youth players in 00', 99' and 98' divisions are not covered under our league insurance plan. 50.If you game appears as PENDING WITH A GAME TIME, this means that we will notify you of a cancellation until Friday because one or the other team has an issue with fees or players. If you game appears as PENDING WITH OUT A GAME TIME, this means that you will not have a game that week, and the game will more than likely be made up. 51.If you have the minimum amount of participants required to play (futsal~4, outdoor~8) you may stop the match without penalties. If you have futsal=5, outdoor>=9 or more players you must finish el match or you will have to pay half of the other teams fee (this does not include the late fee for paying on the field). This will also apply if your team does not present balls or IDs and the game cannot continue.
